

PM AJK INAUGURATES FIRST COMPUTERIZED LAND RECORD SERVICE CENTER

Committed to his digital vision for public facilitation and good governance,

Honorable Prime Minister AJK, Raja Farooq Haider Khan inaugurated the first of the three computerized land

record service centers at Hattian Bala. Speaking at the occasion along with Minister IT and Minister Revenue, PM appreciated the efforts of IT Department and Board of Revenue for this landmark achievement. PM further reiterated his commitment and support for digitalization of other public services as well. The project is a major milestone towards digital governance and includes three services centers to start with its pilot phase. The digitalization of land record would be extended to all the districts in its next phase in the coming financial year (2018-2019).
